Journal of Neuroscience Nursing 1997 Index of Articles

Indexed by Subject and Author

Volume 29, Numbers 1-6

Subject Index

Accidents, Traffic
A problem unresolved (Stewart-Amidei C) (editorial) 1997 Oct; 29(5):280

Activities of Daily Living
The effect of drug therapy on the perceived symptom and ADL experiences of narcoleptics (Schumacher A et al) (research, tables/charts) 1997 Feb; 29(1):15-23 (23 ref)

Administration, Intranasal
Horizons. Intranasal lidocaine for migraine and cluster headaches (Fowler S) (brief item) 1997 Oct; 29(5):342 (1 ref)

Alcohol Drinking
A problem unresolved (Stewart-Amidei C) (editorial) 1997 Oct; 29(5):280

Alzheimer's Disease—Drug Therapy
Horizons. Alzheimer's disease: a new drug approach (brief item) 1997 Feb; 29(1):61 (1 ref)

Aneurysm—Nursing
Guglielmi detachable coils: an alternative therapy for surgically high-risk aneurysms (Morrison SR) (diagnostic images, nursing diagnoses, nursing interventions) 1997 Aug; 29(4):232-7 (6 ref)

Aneurysm—Therapy
Guglielmi detachable coils: an alternative therapy for surgically high-risk aneurysms (Morrison SR) (diagnostic images, nursing diagnoses, nursing interventions) 1997 Aug; 29(4):232-7 (6 ref)

Anticonvulsants—Administration and Dosage
Pharmacology update. Pharmacologic management of epilepsy: an update (Ozuna J) (CEU, exam questions, tables/charts) 1997 Oct; 29(5):330-7 (33 ref)

Antilipemic Agents—Therapeutic Use
Horizons. Effects of reducing cholesterol on stroke (Fowler S) (brief item) 1997 Oct; 29(5):342 (1 ref)

Attitude to AIDS
Neuroscience nurses' intentions to care for persons with HIV/AIDS (DiIorio C) (research, tables/charts) 1997 Feb; 29(1):50-5 (19 ref)

Autism
Valproic acid treatment of epilepsy in autistic twins (Childs JA et al) (case study) 1997 Aug; 29(4):244-8 (12 ref)

Blood Pressure—Drug Effects
Horizons. The effects of caffeine on BP and HR (Fowler S) (brief item) 1997 Oct; 29(5):342 (1 ref)

Bowel and Bladder Management
Bladder management in acute care of stroke patients: a quality improvement project (Chan H) (forms, tables/charts) 1997 Jun; 29(3):187-90 (2 ref)

Brain—Anatomy and Histology
Brain attack: correlative anatomy (Testani-Dufour L et al) (case study, CEU, exam questions, pictorial, tables/charts) 1997 Aug; 29(4):213-24, 231 (26 ref)

Brain Abscess—Complications
Multiple bilateral cerebral abscesses with hemorrhage (Baumann CK) (case study, diagnostic images) 1997 Feb; 29(1):4-8, 13-4 (21 ref)

Brain Abscess—Diagnosis
Multiple bilateral cerebral abscesses with hemorrhage (Baumann CK) (case study, diagnostic images) 1997 Feb; 29(1):4-8, 13-4 (21 ref)

Brain Abscess—Surgery
Multiple bilateral cerebral abscesses with hemorrhage (Baumann CK) (case study, diagnostic images) 1997 Feb; 29(1):4-8, 13-4 (21 ref)

Brain Attack—also Brain Attack Nursing
Bladder management in acute care of stroke patients: a quality improvement project (Chan H) (forms, tables/charts) 1997 Jun; 29(3):187-90 (2 ref)

Code stroke: rapid transport, triage and treatment using rt-PA therapy (Rapp K et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):361-366 (10 ref)

Development and implementation of clinical pathways for stroke on a multihospital basis (Hainsworth DS et al) (statistics, tables/charts) 1997 Jun; 29(3):156-62 (14 ref)

Education to improve stroke awareness and emergent response (Daley S et al) (CEU, tables/charts) 1997 Dec; 29(6):393-396 (12 ref)

Nursing care of acute stroke patients after receiving rt-PA therapy (Braimah J et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):373-383 (18 ref)

Nursing management of acute complications following rt-PA in acute ischemic stroke (Barch C et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):367-372 (18 ref)

Overview: hyperacute rt-PA stroke treatment (Donnarumma R et al) (CEU, pictorial, tables/charts) 1997 Dec; 29(6):351-355 (19 ref)

Brain Attack—also Brain Attack Nursing
Bladder management in acute care of stroke patients: a quality improvement project (Chan H) (forms, tables/charts) 1997 Jun; 29(3):187-90 (2 ref)

Code stroke: rapid transport, triage and treatment using rt-PA therapy (Rapp K et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):361-366 (10 ref)

Development and implementation of clinical pathways for stroke on a multihospital basis (Hainsworth DS et al) (statistics, tables/charts) 1997 Jun; 29(3):156-62 (14 ref)

Education to improve stroke awareness and emergent response (Daley S et al) (CEU, tables/charts) 1997 Dec; 29(6):393-396 (12 ref)

Nursing care of acute stroke patients after receiving rt-PA therapy (Braimah J et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):373-383 (18 ref)

Nursing management of acute complications following rt-PA in acute ischemic stroke (Barch C et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):367-372 (18 ref)

Overview: hyperacute rt-PA stroke treatment (Donnarumma R et al) (CEU, pictorial, tables/charts) 1997 Dec; 29(6):351-355 (19 ref)

Pathophysiology and mechanisms of acute ischemic stroke (Bratina P et al) (CEU, pictorial, tables/charts) 1997 Dec; 29(6):356-360 (10 ref)

Using the NIH Stroke Scale to assess stroke patients (Spilker J et al) (forms, tables/charts) 1997 Dec; 29(6):384-392 (ref)

Brain Attack—Assessment
Using the NIH Stroke Scale to assess stroke patients (Spilker J et al) (CEU, forms, tables/charts) 1997 Dec; 29(6): 384-392 (17 ref)

Brain Attack—Complications
Clinical corner. Dysphagia: a screening tool for stroke patients (Wood P et al) (forms, tables/charts) 1997 Oct; 29(5):325-9 (3 ref 10 bib)

Nursing management of acute complications following rt-PA in acute ischemic stroke (Barch C et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):367-372 (18 ref)

Brain Attack—Drug Administration
Code stroke: rapid transport, triage and treatment using rt-PA therapy (Rapp K et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):361-366 (10 ref)

Nursing care of acute stroke patients after receiving rt-PA therapy (Braimah J et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):373-383 (18 ref)

Nursing management of acute complications following rt-PA in acute ischemic stroke (Barch C et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):367-372 (18 ref)

Overview: hyperacute rt-PA stroke treatment (Donnarumma R et al) (CEU, pictorial, tables/charts) 1997 Dec; 29(6):351-355 (19 ref)

Pathophysiology and mechanisms of acute ischemic stroke (Bratina P et al) (CEU, pictorial, tables/charts) 1997 Dec; 29(6):356-360 (10 ref)

Brain Attack—Drug Administration—Adverse Effects
Nursing management of acute complications following rt-PA in acute ischemic stroke (Barch C et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):367-372 (18 ref)

Brain Attack—Emergency Care
Code stroke: rapid transport, triage and treatment using rt-PA therapy (Rapp K et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6): 361-366 (10 ref)

Overview: hyperacute rt-PA stroke treatment (Donnarumma R et al) (CEU, pictorial, tables/charts) 1997 Dec; 29(6):351-355 (19 ref)

Brain Attack—Physiopathology
Brain attack: correlative anatomy (Testani-Dufour L et al) (case study, CEU, exam questions, pictorial, tables/charts) 1997 Aug; 29(4):213-24, 231 (26 ref)

Pathophysiology and mechanisms of acute ischemic stroke (Bratina P et al) (CEU, pictorial, tables/charts) 1997 Dec; 29(6):356-360 (10 ref)

Brain Attack—Prevention and Control
Horizons. Effects of reducing cholesterol on stroke (Fowler S) (brief item) 1997 Oct; 29(5):342 (1 ref)

Brain Attack—Symptoms
Brain attack: correlative anatomy (Testani-Dufour L et al) (case study, CEU, exam questions, pictorial, tables/charts) 1997 Aug; 29(4):213-24, 231 (26 ref)

Brain Injuries—Complications
Postcomatose unawareness/vegetative state following severe brain injury: a content methodology (Duff DL et al) 1997 Oct; 29(5):305-7, 312-7 (43 ref)

Brain Injuries—Nursing
Postcomatose unawareness/vegetative state following severe brain injury: a content methodology (Duff DL et al) 1997 Oct; 29(5):305-7, 312-7 (43 ref)

Brain Neoplasms—Surgery
Stereotactic radiosurgery for malignant brain tumors: the patient's perspective (Ward-Smith P) (research) 1997 Apr; 29(2):117-22 (20 ref)

Brain Neoplasms—Therapy
Horizons. Antiangiogenesis drug for brain tumors (brief item) 1997 Feb; 29(1):61

Caffeine—Adverse Effects
Horizons. The effects of caffeine on BP and HR (Fowler S) (brief item) 1997 Oct; 29(5):342 (1 ref)

Cerebral Aneurysm—Complications
Hyperdynamic therapy: the nurse's role in the treatment of cerebral vasospasm (Campbell PJ et al) (care plan, case study) 1997 Oct; 29(5):318-24 (28 ref)

Cerebral Arteries—Anatomy and Histology
Brain attack: correlative anatomy (Testani-Dufour L et al) (case study, CEU, exam questions, pictorial, tables/charts) 1997 Aug; 29(4):213-24, 231 (26 ref)

Cerebral Hemorrhage—Etiology
Multiple bilateral cerebral abscesses with hemorrhage (Baumann CK) (case study, diagnostic images) 1997 Feb; 29(1):4-8, 13-4 (21 ref)

Cerebral Hemorrhage—In Infancy and Childhood
Intraventricular hemorrhage and long-term outcome in the premature infant (Wildrick D) (review) 1997 Oct; 29(5):281-9 (20 ref)

Cerebral Vasospasm—Nursing
Hyperdynamic therapy: the nurse's role in the treatment of cerebral vasospasm (Campbell PJ et al) (care plan, case study) 1997 Oct; 29(5):318-24 (28 ref)

Cerebral Vasospasm—Therapy
Hyperdynamic therapy: the nurse's role in the treatment of cerebral vasospasm (Campbell PJ et al) (care plan, case study) 1997 Oct; 29(5):318-24 (28 ref)

Cerebral Ventricles
Accuracy of levelling intraventricular collection drainage systems (Bisnaire D et al) (research, tables/charts) 1997 Aug; 29(4):261-8 (12 ref)

Cerebrovascular Circulation
Brain attack: correlative anatomy (Testani-Dufour L et al) (case study, CEU, exam questions, pictorial, tables/charts) 1997 Aug; 29(4):213-24, 231 (26 ref)

Chronic Disease—In Old Age
Health promotion in chronically ill older adults (Fowler SB) 1997 Feb; 29(1): 39-43 (33 ref)

Chronic Pain
The neuroplastic phenomenon: a physiologic link between chronic pain and learning (Arnstein PM) 1997 Jun; 29(3):179-86 (33 ref)

Closed Drainage
Accuracy of levelling intraventricular collection drainage systems (Bisnaire D et al) (research, tables/charts) 1997 Aug; 29(4):261-8 (12 ref)

Cluster Headache—Drug Therapy
Horizons. Intranasal lidocaine for migraine and cluster headaches (Fowler S) (brief item) 1997 Oct; 29(5): 342 (1 ref)

Cognition
Profiles of cognitive functioning in subjects with neurological disorders (Cammermeyer M et al) (research, tables /charts) 1997 Jun; 29(3):163-9 (9 ref)

Coma—Complications
Postcomatose unawareness/vegetative state following severe brain injury: a content methodology (Duff DL et al) 1997 Oct; 29(5):305-7, 312-7 (43 ref)

Coma—Nursing
Postcomatose unawareness/vegetative state following severe brain injury: a content methodology (Duff DL et al) 1997 Oct; 29(5):305-7, 312-7 (43 ref)

Common Cold
Horizons. Is the common cold a cure for other problems? (brief item) 1997 Feb; 29(1): 60-1 (1 ref)

Comorbidity—In Infancy & Childhood
Valproic acid treatment of epilepsy in autistic twins (Childs JA et al) (case study) 1997 Aug; 29(4):244-8 (12 ref)

Confusion—Diagnosis—In Old Age
Screening for acute confusion in elderly long-term care residents (Culp K et al) (research, tables/charts) 1997 Apr; 29(2):86-8, 95-100 (52 ref)

Confusion—Epidemiology—In Old Age
Screening for acute confusion in elderly long-term care residents (Culp K et al) (research, tables/charts) 1997 Apr; 29(2):86-8, 95-100 (52 ref)

Critical Path
Development and implementation of clinical pathways for stroke on a multihospital basis (Hainsworth DS et al) (statistics, tables/charts) 1997 Jun; 29(3):156-62 (14 ref)

Database Construction
Profiles of cognitive functioning in subjects with neurological disorders (Cammermeyer M et al) (research, tables/charts) 1997 Jun; 29(3):163-9 (9 ref)

Deglutition Disorders—Diagnosis
Clinical corner. Dysphagia: a screening tool for stroke patients (Wood P et al) (forms, tables/charts) 1997 Oct; 29(5):325-9 (3 ref 10 bib)

Deglutition Disorders—Nursing
Clinical corner. Dysphagia: a screening tool for stroke patients (Wood P et al) (forms, tables/charts) 1997 Oct; 29(5):325-9 (3 ref 10 bib)

Diencephalon
Brain attack: correlative anatomy (Testani-Dufour L et al) (case study, CEU, exam questions, pictorial, tables/charts) 1997 Aug; 29(4):213-24, 231 (26 ref)

Electroencephalography
Relating EEG changes and I-thou feelings during nursing interview (Minamisawa H et al) (research, tables/charts, tracings) 1997 Feb; 29(1):32-8 (17 ref)

Emotions
Relating EEG changes and I-thou feelings during nursing interview (Minamisawa H et al) (research, tables/charts, tracings) 1997 Feb; 29(1):32-8 (17 ref)

Empowerment
Toward empowerment (Stewart-Amidei C) (editorial) 1997 Aug; 29(4):207

Epilepsy—Drug Therapy
Pharmacology update. Pharmacologic management of epilepsy: an update (Ozuna J) (CEU, exam questions, tables/charts) 1997 Oct; 29(5):330-7 (33 ref)

Epilepsy—Drug Therapy—In Infancy and Childhood
Valproic acid treatment of epilepsy in autistic twins (Childs JA et al) (case study) 1997 Aug; 29(4):244-8 (12 ref)

Epilepsy—Psychosocial Factors
The practical aspects of epilepsy: critical components of comprehensive patient care (Long L et al) 1997 Aug; 29(4):249-54 (22 ref)

Equipment and Supplies
Guglielmi detachable coils: an alternative therapy for surgically high-risk aneurysms (Morrison SR) (diagnostic images, nursing diagnoses, nursing interventions) 1997 Aug; 29(4):232-7 (6 ref)

Exercise
Physical activity and perceived health status in persons with multiple sclerosis (Stuifbergen AK) (research, tables/charts) 1997 Aug; 29(4):238-43 (16 ref)

Head Injuries—Nursing
Management of intracranial hemodynamics in the adult: a research analysis of head positioning and recommendations for clinical practice and future research (Simmons BJ) (review) 1997 Feb; 29(1):44-9 (31 ref)

Health Behavior
Hope and a health-promoting lifestyle in persons with Parkinson's disease (Fowler SB) (research, tables/charts) 1997 Apr; 29(2):111-6 (42 ref)

Health Promotion—In Old Age
Health promotion in chronically ill older adults (Fowler SB) 1997 Feb; 29(1):39-43 (33 ref)

Health Resource Utilization
Horizons. Resource use in aneurysmal subarachnoid hemorrhage 1997 Feb; 29(1):60 (2 ref)

Health Status
Physical activity and perceived health status in persons with multiple sclerosis (Stuifbergen AK) (research, tables/charts) 1997 Aug; 29(4):238-43 (16 ref)

Heart Rate—Drug Effects
Horizons. The effects of caffeine on BP and HR (Fowler S) (brief item) 1997 Oct; 29(5):342 (1 ref)

Help Seeking Behavior
Perceived self-care information needs and information-seeking behaviors before and after elective spinal procedures (Holmes KL et al) (research) 1997 Apr; 29(2):79-85 (12 ref)

Hemodynamics
Management of intracranial hemodynamics in the adult: a research analysis of head positioning and recommendations for clinical practice and future research (Simmons BJ) (review) 1997 Feb; 29(1):44-9 (31 ref)

Hope
Hope and a health-promoting lifestyle in persons with Parkinson's disease (Fowler SB) (research, tables/charts) 1997 Apr; 29(2):111-6 (42 ref)

Hyponatremia—Drug Therapy
Horizons. Fludrocortisone in the treatment of SAH-induced hyponatremia (Fowler S) (brief item) 1997 Oct; 29(5):342-3 (1 ref)

Hyponatremia—Etiology
Horizons. Fludrocortisone in the treatment of SAH-induced hyponatremia (Fowler S) (brief item) 1997 Oct; 29(5):342-3 (1 ref)

Information Needs
Perceived self-care information needs and information-seeking behaviors before and after elective spinal procedures (Holmes KL et al) (research) 1997 Apr; 29(2):79-85 (12 ref)

Internet
Surfing the Net: the sequel (Stewart-Amidei C) (editorial) 1997 Apr; 29(2):77

Interviews
Relating EEG changes and I-thou feelings during nursing interview (Minamisawa H et al) (research, tables/charts, tracings) 1997 Feb; 29(1):32-8 (17 ref)

Intracranial Pressure—Evaluation
Management of intracranial hemodynamics in the adult: a research analysis of head positioning and recommendations for clinical practice and future research (Simmons BJ) (review) 1997 Feb; 29(1):44-9 (31 ref)

Intracranial Pressure, Increased—Nursing
Management of intracranial hemodynamics in the adult: a research analysis of head positioning and recommendations for clinical practice and future research (Simmons BJ) (review) 1997 Feb; 29(1):44-9 (31 ref)

Intracranial Pressure, Increased—Prevention and Control
Management of intracranial hemodynamics in the adult: a research analysis of head positioning and recommendations for clinical practice and future research (Simmons BJ) (review) 1997 Feb; 29(1):44-9 (31 ref)

Learning
The neuroplastic phenomenon: a physiologic link between chronic pain and learning (Arnstein PM) 1997 Jun; 29(3):179-86 (33 ref)

Lidocaine—Administration and Dosage
Horizons. Intranasal lidocaine for migraine and cluster headaches (Fowler S) (brief item) 1997 Oct; 29(5):342 (1 ref)

Lidocaine—Therapeutic Use
Horizons. Intranasal lidocaine for migraine and cluster headaches (Fowler S) (brief item) 1997 Oct; 29(5):342 (1 ref)

Life Experiences
The lived experience of relapsing multiple sclerosis: a phenomenological study (Miller CM) (research) 1997 Oct; 29(5):294-304 (51 ref)

Life Style
Hope and a health-promoting lifestyle in persons with Parkinson's disease (Fowler SB) (research, tables/charts) 1997 Apr; 29(2):111-6 (42 ref)

Migraine—Drug Therapy
Horizons. Intranasal lidocaine for migraine and cluster headaches (Fowler S) (brief item) 1997 Oct; 29(5):342 (1 ref)

Minimally Invasive Procedures
Guglielmi detachable coils: an alternative therapy for surgically high-risk aneurysms (Morrison SR) (diagnostic images, nursing diagnoses, nursing interventions) 1997 Aug; 29(4):232-7 (6 ref)

Monitoring, Intracranial Pressure
Accuracy of levelling intraventricular collection drainage systems (Bisnaire D et al) (research, tables/charts) 1997 Aug; 29(4):261-8 (12 ref)

Monitoring, Intracranial Pressure—Equipment and Supplies
Accuracy of levelling intraventricular collection drainage systems (Bisnaire D et al) (research, tables/charts) 1997 Aug; 29(4):261-8 (12 ref)

Motor Activity
Changes in motor performance in persons with Parkinson's disease after exercise in a mountain area (Sunvisson H et al) (research, tables/charts) 1997 Aug; 29(4):255-60 (19 ref)

Multiple Sclerosis
Physical activity and perceived health status in persons with multiple sclerosis (Stuifbergen AK) (research, tables/charts) 1997 Aug; 29(4):238-43 (16 ref)

The lived experience of relapsing multiple sclerosis: a phenomenological study (Miller CM) (research) 1997 Oct; 29(5):294-304 (51 ref)

Muscle Hypertonia—Nursing
Soft tissue manipulation: neuromuscular and muscle energy techniques (Roberts BL) (case study, pictorial) 1997 Apr; 29(2):123-7 (2 ref)

Muscle Hypertonia—Therapy
Soft tissue manipulation: neuromuscular and muscle energy techniques (Roberts BL) (case study, pictorial) 1997 Apr; 29(2):123-7 (2 ref)

Muscle Strengthening
Soft tissue manipulation: neuromuscular and muscle energy techniques (Roberts BL) (case study, pictorial) 1997 Apr; 29(2):123-7 (2 ref)

Narcolepsy—Drug Therapy
The effect of drug therapy on the perceived symptom and ADL experiences of narcoleptics (Schumacher A et al) (research, tables/charts) 1997 Feb; 29(1):15-23 (23 ref)

Narcolepsy—Psychosocial Factors
The effect of drug therapy on the perceived symptom and ADL experiences of narcoleptics (Schumacher A et al) (research, tables/charts) 1997 Feb; 29(1):15-23 (23 ref)

Narcolepsy—Symptoms
The effect of drug therapy on the perceived symptom and ADL experiences of narcoleptics (Schumacher A et al) (research, tables/charts) 1997 Feb; 29(1):15-23 (23 ref)

Neoplasms—Therapy
Horizons. Is the common cold a cure for other problems? (brief item) 1997 Feb; 29(1):60-1 (1 ref)

Nervous System Diseases—Diagnosis
Distinguishing conversion disorder from neurologic impairment (Parobek VM) (tables/charts) 1997 Apr; 29(2):128-34 (17 ref)

Nervous System Physiology
The neuroplastic phenomenon: a physiologic link between chronic pain and learning (Arnstein PM) 1997 Jun; 29(3):179-86 (33 ref)

Neurologic Manifestations
Profiles of cognitive functioning in subjects with neurological disorders (Cammermeyer M et al) (research, tables/charts) 1997 Jun; 29(3):163-9 (9 ref)

Neurons—Physiology
The neuroplastic phenomenon: a physiologic link between chronic pain and learning (Arnstein PM) 1997 Jun; 29(3):179-86 (33 ref)

Neuroscience Nursing
Neuroscience nurses' intentions to care for persons with HIV/AIDS (DiIorio C) (research, tables/charts) 1997 Feb; 29(1):50-5 (19 ref)

Bladder management in acute care of stroke patients: a quality improvement project (Chan H) (forms, tables/charts) 1997 Jun; 29(3):187-90 (2 ref)

Code stroke: rapid transport, triage and treatment using rt-PA therapy (Rapp K et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):361-366 (10 ref)

Education to improve stroke awareness and emergent response (Daley S et al) (CEU, tables/charts) 1997 Dec; 29(6): 393-396 (12 ref)

Nursing care of acute stroke patients after receiving rt-PA therapy (Braimah J et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):373-383 (18 ref)

Nursing management of acute complications following rt-PA in acute ischemic stroke (Barch C et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):367-372 (18 ref)

Overview: hyperacute rt-PA stroke treatment (Donnarumma R et al) (CEU, pictorial, tables/charts) 1997 Dec; 29(6)351-355: (19 ref)

Pathophysiology and mechanisms of acute ischemic stroke (Bratina P et al) (CEU, pictorial, tables/charts) 1997 Dec; 29(6):356-360 (10 ref)

Using the NIH Stroke Scale to assess stroke patients (Spilker J et al) (CEU, forms, tables/charts) 1997 Dec; 29(6): 384-392 (17 ref)

Accuracy of levelling intraventricular collection drainage systems (Bisnaire D et al) (research, tables/charts) 1997 Aug; 29(4):261-8 (12 ref)

Postcomatose unawareness/vegetative state following severe brain injury: a content methodology (Duff DL et al) 1997 Oct; 29(5):305-7, 312-7 (43 ref)

Research corner. Neuroscience nursing research: challenges for the next decade (Leveck MD) 1997 Oct; 29(5):338-41 (4 ref)

Nurse Attitudes
Neuroscience nurses' intentions to care for persons with HIV/AIDS (DiIorio C) (research, tables/charts) 1997 Feb; 29(1):50-5 (19 ref)

Nurse-Patient Relations
Relating EEG changes and I-thou feelings during nursing interview (Minamisawa H et al) (research, tables/charts, tracings) 1997 Feb; 29(1):32-8 (17 ref)

Toward empowerment (Stewart-Amidei C) (editorial) 1997 Aug; 29(4):207

Nurses—Psychosocial Factors
Relating EEG changes and I-thou feelings during nursing interview (Minamisawa H et al) (research, tables/charts, tracings) 1997 Feb; 29(1):32-8 (17 ref)

Nursing Assessment
Screening for acute confusion in elderly long-term care residents (Culp K et al) (research, tables/charts) 1997 Apr; 29(2): 86-8, 95-100 (52 ref)

Using the NIH Stroke Scale to assess stroke patients (Spilker J et al) (CEU, forms, tables/charts) 1997 Dec; 29(6): 384-392 (17 ref)

Nursing Interventions
Soft tissue manipulation: neuromuscular and muscle energy techniques (Roberts BL) (case study, pictorial) 1997 Apr; 29(2):123-7 (2 ref)

Nursing Practice, Theory Based
Using a health promotion model to enhance medication compliance (Lannon SL) (case study) 1997 Jun; 29(3):170-8 (36 ref)

Outcomes of Prematurity
Intraventricular hemorrhage and long-term outcome in the premature infant (Wildrick D) (review) 1997 Oct; 29(5):281-9 (20 ref)

Parkinson Disease
Hope and a health-promoting lifestyle in persons with Parkinson's disease (Fowler SB) (research, tables/charts) 1997 Apr; 29(2):111-6 (42 ref)

Changes in motor performance in persons with Parkinson's disease after exercise in a mountain area (Sunvisson H et al) (research, tables/charts) 1997 Aug; 29(4):255-60 (19 ref)

Parkinson Disease—Physiopathology
Pathophysiology and management of idiopathic Parkinson's disease (Lusis SA). 1997 Feb; 29(1):24-31 (51 ref)

Parkinson Disease—Therapy
Pathophysiology and management of idiopathic Parkinson's disease (Lusis SA) 1997 Feb; 29(1):24-31 (51 ref)

Patient Attitudes
Stereotactic radiosurgery for malignant brain tumors: the patient's perspective (Ward-Smith P) (research) 1997 Apr; 29(2):117-22 (20 ref)

Patient Centered Care
Relating EEG changes and I-thou feelings during nursing interview (Minamisawa H et al) (research, tables/charts, tracings) 1997 Feb; 29(1): 32-8 (17 ref)

Patient Compliance
Using a health promotion model to enhance medication compliance (Lannon SL) (case study) 1997 Jun; 29(3):170-8 (36 ref)

Patient Education
Perceived self-care information needs and information-seeking behaviors before and after elective spinal procedures (Holmes KL et al) (research) 1997 Apr; 29(2):79-85 (12 ref)

Patient Positioning
Management of intracranial hemodynamics in the adult: a research analysis of head positioning and recommendations for clinical practice and future research (Simmons BJ) (review) 1997 Feb; 29(1):44-9 (31 ref)

Pender Health Promotion Model
Using a health promotion model to enhance medication compliance (Lannon SL) (case study) 1997 Jun; 29(3):170-8 (36 ref)

Radiosurgery
Stereotactic radiosurgery for malignant brain tumors: the patient's perspective (Ward-Smith P) (research) 1997 Apr; 29(2):117-22 (20 ref)

Receptors, Drug
Serotonergic receptors as targets for pharmacotherapy (Kirk EE et al) (pictorial, tables/charts) 1997 Jun; 29(3):191-7 (61 ref)

Research, Nursing
Research corner. Neuroscience nursing research: challenges for the next decade (Leveck MD) 1997 Oct; 29(5):338-41 (4 ref)

Scope of Nursing Practice
Editorial: what can I do? (Stewart-Amidei C) (editorial) 1997 Feb; 29(1):3

Self Administration
Using a health promotion model to enhance medication compliance (Lannon SL) (case study) 1997 Jun; 29(3):170-8 (36 ref)

Self Care—Education
Perceived self-care information needs and information-seeking behaviors before and after elective spinal procedures (Holmes KL et al) (research) 1997 Apr; 29(2):79-85 (12 ref)

Serotonin
Serotonergic receptors as targets for pharmacotherapy (Kirk EE et al) (pictorial, tables/charts) 1997 Jun; 29(3):191-7 (61 ref)

Somatoform Disorders—Diagnosis
Distinguishing conversion disorder from neurologic impairment (Parobek VM) (tables/charts) 1997 Apr; 29(2):128-34 (17 ref)

Spasm—Nursing
Soft tissue manipulation: neuromuscular and muscle energy techniques (Roberts BL) (case study, pictorial) 1997 Apr; 29(2):123-7 (2 ref)

Spasm—Therapy
Soft tissue manipulation: neuromuscular and muscle energy techniques (Roberts BL) (case study, pictorial) 1997 Apr; 29(2):123-7 (2 ref)

Spine—Surgery
Perceived self-care information needs and information-seeking behaviors before and after elective spinal procedures (Holmes KL et al) (research) 1997 Apr; 29(2):79-85 (12 ref)

Streptococcal Infections
Multiple bilateral cerebral abscesses with hemorrhage (Baumann CK) (case study, diagnostic images) 1997 Feb; 29(1):4-8, 13-4 (21 ref)

Stroke
Bladder management in acute care of stroke patients: a quality improvement project (Chan H) (forms, tables/charts) 1997 Jun; 29(3):187-90 (2 ref)

Code stroke: rapid transport, triage and treatment using rt-PA therapy (Rapp K et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):361-366 (10 ref)

Development and implementation of clinical pathways for stroke on a multihospital basis (Hainsworth DS et al) (statistics, tables/charts) 1997 Jun; 29(3):156-62 (14 ref)

Education to improve stroke awareness and emergent response (Daley S et al) (CEU, tables/charts) 1997 Dec; 29(6): 393-396 (12 ref)

Nursing care of acute stroke patients after receiving rt-PA therapy (Braimah J et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):373-383 (18 ref)

Nursing management of acute complications following rt-PA in acute ischemic stroke (Barch C et al) (CEU, protocol, tables/charts) 1997 Dec; 29(6):367-372 (18 ref)

Overview: hyperacute rt-PA stroke treatment (Donnarumma R et al) (CEU, pictorial, tables/charts) 1997 Dec; 29(6):351-355 (19 ref)

Pathophysiology and mechanisms of acute ischemic stroke (Bratina P et al) (CEU, pictorial, tables/charts) 1997 Dec; 29(6):356-360 (10 ref)

Using the NIH Stroke Scale to assess stroke patients (Spilker J et al) (CEU, forms, tables/charts) 1997 Dec; 29(6): 384-392 (ref)

Subarachnoid Hemorrhage—Complications
Hyperdynamic therapy: the nurse's role in the treatment of cerebral vasospasm (Campbell PJ et al) (care plan, case study) 1997 Oct; 29(5): 318-24 (28 ref)

Horizons. Fludrocortisone in the treatment of SAH-induced hyponatremia (Fowler S) (brief item) 1997 Oct; 29(5):342-3 (1 ref)

Subarachnoid Hemorrhage—Economics
Horizons. Resource use in aneurysmal subarachnoid hemorrhage 1997 Feb; 29(1):60 (2 ref)

Surgery, Elective
Perceived self-care information needs and information-seeking behaviors before and after elective spinal procedures (Holmes KL et al) (research) 1997 Apr; 29(2):79-85 (12 ref)

Twins
Valproic acid treatment of epilepsy in autistic twins (Childs JA et al) (case study) 1997 Aug; 29(4):244-8 (12 ref)

Vacations
Gone fishing (Stewart-Amidei C) (editorial) 1997 Jun; 29(3):141

Valproic Acid—Therapeutic Use—In Infancy and Childhood
Valproic acid treatment of epilepsy in autistic twins (Childs JA et al) (case study) 1997 Aug; 29(4):244-8 (12 ref)

Vasopressins—Administration and Dosage
Horizons. New form of desmopressin (brief item) 1997 Feb; 29(1):61

Viruses
Horizons. Is the common cold a cure for other problems? (brief item) 1997 Feb; 29(1):60-1 (1 ref)

Walking
Changes in motor performance in persons with Parkinson's disease after exercise in a mountain area (Sunvisson H et al) (research, tables/charts) 1997 Aug; 29(4):255-60 (19 ref)
